

Notice for the temporary closure of Cappers Lane

July 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI is working on behalf of HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

We will be carrying out utility works on Cappers Lane. We need to dig down into a section of the lane, to locate and add a connection to an existing sewer pipe. These works will allow us to then connect this to our compound off Cappers Lane.

For the work to be completed in a safe environment, we will need to temporarily close a section of Cappers Lane (see map on Page 2).

When we will temporarily close Cappers Lane.

Cappers Lane will be temporarily closed during the whole period of these works from 6th July to 11th July.

Access will be maintained for all properties located within the area of our works.

A diversion route, with road signage, will be in place during this period.

HS2 during the Coronavirus pandemic

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with coronavirus.

The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority.

Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

These works will take place between 6th July and 11th July.

Our working hours will be 8am to 5pm weekdays and 9am to 1pm on Saturday.

Our workforce will be on site 1 hour before and after to set up and take down our work equipment.

What to expect

A diversion route will be in place over this period. We will install signage on the roadside.

Access will be maintained for all properties located in the area of our works.

Some low levels of noise will be generated from the work we are completing.

What we will do

Inform you in advance of any changes to the date shown.

Keep all sites safe and secure.

Ask you to register with hs2instaffordshire.co.uk to receive updates.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation
