

## A38 Package of work scheme e-bulletin – w/c 19 October 2020

Welcome to this week's traffic management bulletin for the package of work that we're delivering on the A38.

Tonight, 16 October, we need one more night of closures of the B5016 above Barton Turn Bridge to finish off our work. We managed to complete the majority of our waterproofing in last weekend's closure and below is a photo of how it looks at the moment.

We have no A38 closures planned for the next week.

Restrictions in place 24/7 for the duration of the work:

- Narrow lanes in place on the southbound A38 through Barton Turn and the 50mph speed limits are being enforced via speed camera.
- On the local road above the A38 at Barton Turn (B5016/Station Road) 30mph speed limit in place.
- A38 northbound exit slip road to A50 reduced to one lane.

We're sorry for any disruption that our work may cause you; please plan and allow extra time for your journey. We also have a twitter feed you can follow [here](#) for roadworks notifications. For further information about our work, please contact: [info@highwaysengland.co.uk](mailto:info@highwaysengland.co.uk)
