

# A38 Package of work scheme e-bulletin – w/c 16 November 2020

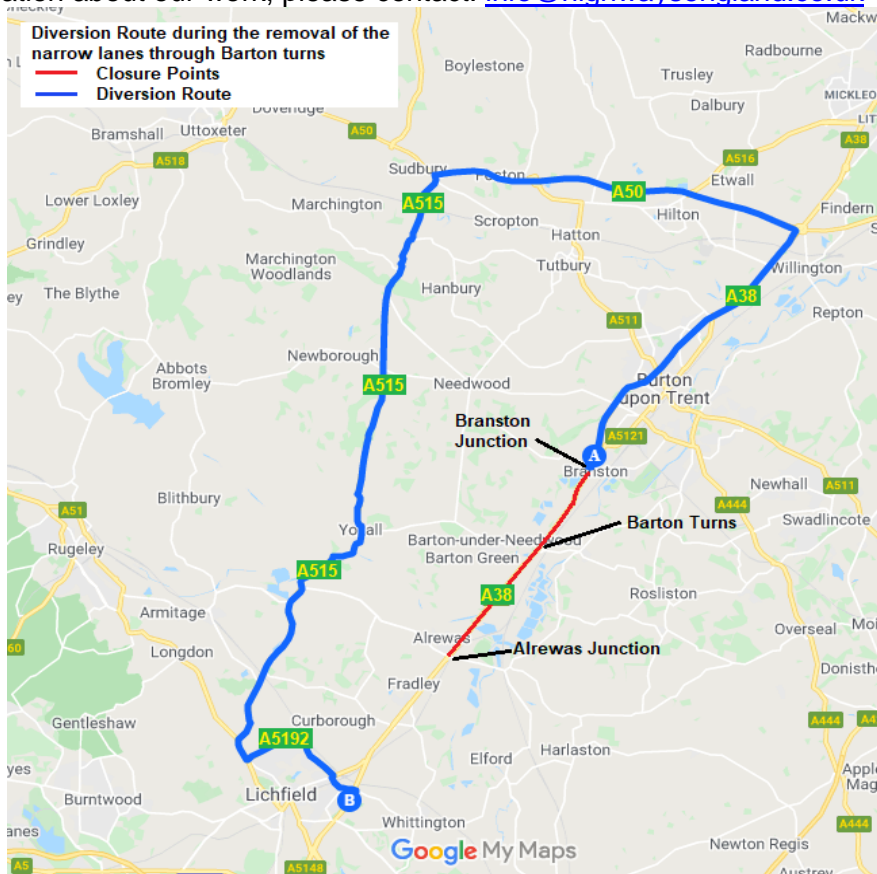

Welcome to this week's traffic management bulletin for the package of work that we're delivering on the A38.

We managed to complete our safety barrier replacement on the southbound carriageway within the Claymills junction last weekend. We now won't need to close the A38 this weekend. The next 2 weeks see removing the narrow lanes through Barton Turns on the southbound carriageway (see diversion map below). We will also be closing the A38 exit slip road at Claymills to replace some safety barrier.

Restrictions in place 24/7 for the duration of the work:

- On the local road above the A38 at Barton Turn (B5016) 30mph speed limit in place.
- A38 northbound exit slip road to A50 reduced to one lane.

We're sorry for any disruption that our work may cause you; please plan and allow extra time for your journey. We also have a twitter feed you can follow [here](#) for roadworks notifications. For further information about our work, please contact: [info@highwaysengland.co.uk](mailto:info@highwaysengland.co.uk)

## Week commencing 16 November 2020 Traffic Management

We issue these bulletins weekly, if you wish to be added to the distribution list
