

A38 Package of work scheme e-bulletin – w/c 23 November 2020

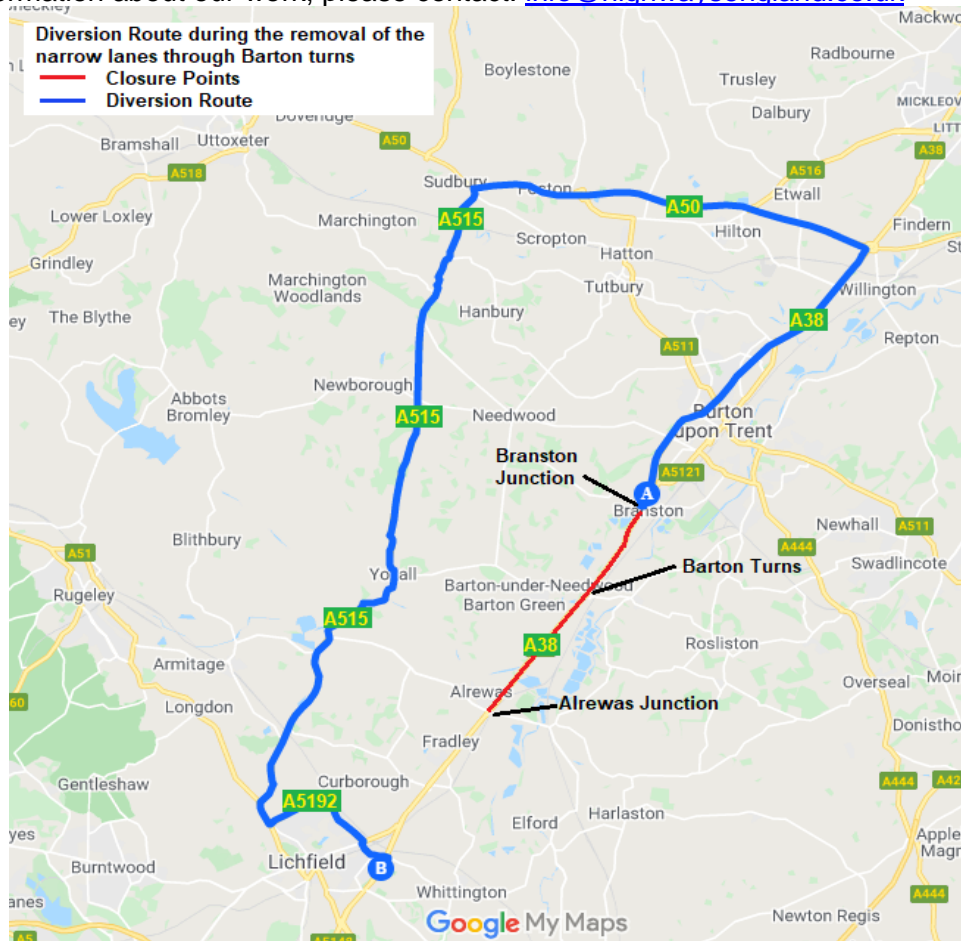

Welcome to this week's traffic management bulletin for the package of work that we're delivering on the A38.

This week we continue our work through Barton Turns to remove the narrow lanes and reinstate the carriageway to its original layout. It is worth noting that on Wednesday the closures are northbound not southbound.

Restrictions in place 24/7 for the duration of the work:

- On the local road above the A38 at Barton Turn (B5016) 30mph speed limit in place.
- A38 northbound exit slip road to A50 reduced to one lane.

We're sorry for any disruption that our work may cause you; please plan and allow extra time for your journey. We also have a twitter feed you can follow [here](#) for roadworks notifications. For further information about our work, please contact: info@highwaysengland.co.uk
