

## A38 Package of work scheme

### e-bulletin – w/c 30 November 2020

Welcome to this week's traffic management bulletin for the package of work that we're delivering on the A38.

Thank you for your patience over the last 8 months while we were carrying out essential maintenance along the A38.

We've now completed the majority of the work that we set out to do at the start of this bulletin. Below is a photo of the completed bridge at Barton Turns with renewed waterproofing and freshly resurfaced.

We still have work ongoing at the A38 northbound exit slip road at Toyota Island. This is due to complete in February 2021 and I will continue to provide you with updates.

Restrictions in place 24/7 for the duration of the work:

- A38 northbound exit slip road to A50 reduced to one lane.

We're sorry for any disruption that our work may cause you; please plan and allow extra time for your journey. We also have a twitter feed you can follow [here](#) for roadworks notifications. For further information about our work, please contact: [info@highwaysengland.co.uk](mailto:info@highwaysengland.co.uk)
