

A38 Package of work scheme

e-bulletin – w/c 7 December 2020

Welcome to this week's traffic management bulletin for the package of work that we're delivering on the A38.

We continue our work on the A38 northbound exit slip to Toyota Island. We've managed to plan our work so that we can access the site without using the 24/7 lane closure on the slip road. We need to close the slip road for 2 nights (17-18 December) to install a lighting column and to remove the lane closure. The A38 package of roadworks that we set out to deliver will then be complete apart from some vegetation planting still to be done in the Burton area that will be completed without closures. We may also need to use some off-peak lane closures of the A38 slip road.

We would like to thank you once again for your patience over the past few months while we completed these essential pieces of maintenance.

Restrictions in place 24/7 for the duration of the work:

- A38 northbound exit slip road to A50 reduced to one lane until 19 December.

We're sorry for any disruption that our work may cause you; please plan and allow extra time for your journey. We also have a twitter feed you can follow [here](#) for roadworks notifications. For further information about our work, please contact: info@highwaysengland.co.uk

We're always looking to improve the way we work, and we would like to ask you to complete a short questionnaire to give us your feedback. If you could spare just 4 minutes (maximum) and complete the survey, click [here](#).

**Please scan the QR code or
click the link in the text above to
complete the short survey to
help us improve how we work.**
