

A38 Package of work scheme

e-bulletin – w/c 1 March 2021

Welcome to this week's traffic management bulletin for the package of work that we're delivering on the A38.

We have overnight closures in place this week to remove the last of the work associated fencing around the A38 northbound off slip to Toyota Island. We'll also be reseeding the bank of the off slip.

We'd also like to let you know of a closure by Cadent gas that is going to affect the A38 near Alrewas for two full weekends. The northbound will be affected from Friday 12 March 22:00 – Monday 15 March 6:00. The southbound will be the following weekend. Although this isn't our closure we will be doing whatever we can within the closure areas to ensure that we don't need to have more closures in the same place. If you have any queries regarding this closure or you find that the work is affecting you then please contact Cadent by email wecare@cadentgas.com or call 0800 389 8000.

I have attached the letter from Cadent informing residents and businesses of the work.

We're sorry for any disruption that our work may cause you; please plan and allow extra time for your journey. We also have a twitter feed you can follow [here](#) for roadworks notifications. For further information about our work, please contact: info@highwaysengland.co.uk

We're always looking to improve the way we work, and we would like to ask you to complete a short questionnaire to give us your feedback. If you could spare just 4 minutes (maximum) and complete the survey, click [here](#).
