

A38 Package of work scheme e-bulletin – w/c 22 March 2021

Welcome to this week's traffic management bulletin for the package of work that we're delivering on the A38.

Cadent will this weekend complete the second of the planned weekend closures on the A38 to establish a gas supply to the National Arboretum. Next weekend will see Cadent work on the Rykneld Street service road to the A38. Although this isn't our closure we will be doing whatever we can within these areas to ensure that we don't need to have further closures in the near future. If you have any queries regarding this closure or you find that the work is affecting you then please contact Cadent by email wecare@cadentgas.com or call 0800 389 8000.

I have attached the letter from Cadent informing residents and businesses of the work.

We're sorry for any disruption that our work may cause you; please plan and allow extra time for your journey. We also have a twitter feed you can follow [here](#) for roadworks notifications. For further information about our work, please contact: info@highwaysengland.co.uk

We're always looking to improve the way we work, and we would like to ask you to complete a short questionnaire to give us your feedback. If you could spare just 4 minutes (maximum) and complete the survey, click [here](#).
