

A38 Package of work scheme

e-bulletin – w/c 29 March 2021

Welcome to this week's traffic management bulletin for the package of work that we're delivering on the A38.

Last weekend the A38 southbound carriageway was closed for Cadent Gas to supply the National Arboretum with gas. During the closure we managed to replace over 100 drain covers. We also made the most of the day light hours closure by ensuring that any redundant temporary traffic frames signs and sandbags were collected. We also had East Staffordshire Borough Council perform litter picking. An astonishing 70 bags of rubbish were collected along with a 1000 litre oil drum and a mattress among other items. This was a great example of working together to ensure future closures are kept to a minimum.

We're sorry for any disruption that our work may cause you; please plan and allow extra time for your journey. We also have a twitter feed you can follow [here](#) for roadworks notifications. For further information about our work, please contact: info@highwaysengland.co.uk

We're always looking to improve the way we work, and we would like to ask you to complete a short questionnaire to give us your feedback. If you could spare just 4 minutes (maximum) and complete the survey, click [here](#).

Week commencing 29 March 2021 Traffic Management

We issue these bulletins weekly, if you wish to be added to the distribution list
