Notice of temporary traffic management on Wood End Lane near Lichfield

March 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons. Please note that the times and dates in this notification are subject to change.

There will be a temporary traffic management

There will be phased traffic management on Wood End Lane including temporary traffic lights and road closures, subject to consent. This is to allow safe access to our work sites to prepare for future construction works, which include roadside vegetation clearance and fencing.

Our works will be phased as below:

- Phase 1: Temporary traffic lights, **29 March – 9 April**
- Phase 2: Temporary road closure on Wood End Lane and Netherstowe Lane, **12 April – 24 April**
- Phase 3: Temporary road closure on Wood End Lane and Watery Lane, **26 April to 30 April**
- Phase 4: Temporary traffic lights, **3 May – 14 May**

All traffic management will be operational between **8:00am and 6:00pm** on weekdays, subject to consent. We may need to work on some weekends. While the closures are operational a signed diversion route will be in place. Please see the map overleaf for more information. Access to properties and businesses, including Roxane UK Ltd, will be maintained while these works progress.

HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
