

## A38 Package of work scheme e-bulletin – w/c 28 June 2021

Welcome to this week's traffic management bulletin for the package of work that we're delivering on the A38.

We have some work next week closing some of the southbound slip roads. This is to complete grass cutting and soft estate maintenance.

The following week we have some other work to replace some road side signs.

We're sorry for any disruption that our work may cause you; please plan and allow extra time for your journey. We also have a twitter feed you can follow [here](#) for roadworks notifications. For further information about our work, please contact: [info@highwaysengland.co.uk](mailto:info@highwaysengland.co.uk)

We're always looking to improve the way we work, and we would like to ask you to complete a short questionnaire to give us your feedback. If you could spare just 4 minutes (maximum) and complete the survey, click [here](#).
