

A38 Package of work scheme e-bulletin – w/c 16 August 2021

Welcome to this week's traffic management bulletin for the package of work that we're delivering on the A38.

This week we have some general maintenance to complete to ensure the safety of the trees on the northbound carriageway near Barton Turns. The slip roads on the northbound carriageway will be closed during the work.

We're sorry for any disruption that our work may cause you; please plan and allow extra time for your journey. We also have a twitter feed you can follow here for roadworks notifications. For further information about our work, please contact: info@highwaysengland.co.uk

We're always looking to improve the way we work, and we would like to ask you to complete a short questionnaire to give us your feedback. If you could spare just 4 minutes (maximum) and complete the survey, click here.
