**4. To consider planning applications as below.**

- a) 20/01836/COUM – Bromley Hayes Garden Centre. Change of use.
- b) 21/00197/FUH – The Cottage, 9 Alrewas Road – proposed replacement outhouse, lean to, opening to garage, pergola, hard standings, gates and car port and other minor work.
- c) 21/00198/LBC – as above but listed building consent.

The above applications had been distributed previously to councillors for their observations and comments. The following comments were submitted to LDC on (a) above. No comments were made on (b) or (c).

The council has several concerns:

- increased heavy traffic through Kings Bromley using the A515 and A513 to reach the A38. Turning right at the A515/A513 cross-roads, heading towards the A38 is not illegal under the present traffic regulations. This also applies to traffic making the reverse journey from the A38 to Bromley Hayes. Not only will this involve HGV's, but also 'abnormal loads' through the village.
- to facilitate traffic movements, a new entrance/exit is planned on the A515 to replace the present entrance from Shaw Lane. Due consideration should be given on this proposal since this will be a well-used facility accommodating office and maintenance workforces as well as the movement of HGV's and 'abnormal loads' onto a relatively busy and fast 'A' road.
- Due notice should be taken of any recommendations from the LDC Tree Officer.

**5. To consider other planning matters.** None.

There being no other business the chairman declared the planning meeting closed at 7.35pm.

- b) 21/00719/FUH – Oak House, Manor Park – erection of single storey extension. The council had no comments to make on this application.
- c) 21/01134/COU – Victory Farm, Alrewas Road – change of use of land from agricultural to car storage. The clerk was asked to report the following comments to LDC on this application: The Planning Statement from Rob Duncan states that it is for storage of up to 20 cars for an online retailer and will not be open to the public. The site will be open from 8.00am until 6.00pm 7 days per week. Presumably it will need to be secure, but no mention is made of the addition of gates to the blank opening and we agreed it should be confirmed that no alarm or lighting is intended. We also need to understand how many vehicle movements are anticipated per week? There is no mention of footpath no.7 being compromised. We are also concerned about possible noise pollution and incursion into the green belt.
- d) 21/01210/FUH – 25 Leofric Close – demolition of existing single storey extension and erection of single storey side extension. The clerk was asked to report the following comments to LDC on this application: The parish council agreed that the Planning Application is not accurately described, but otherwise are happy with the application.
