

# A38 Package of work scheme e-bulletin – w/c 4 October 2021

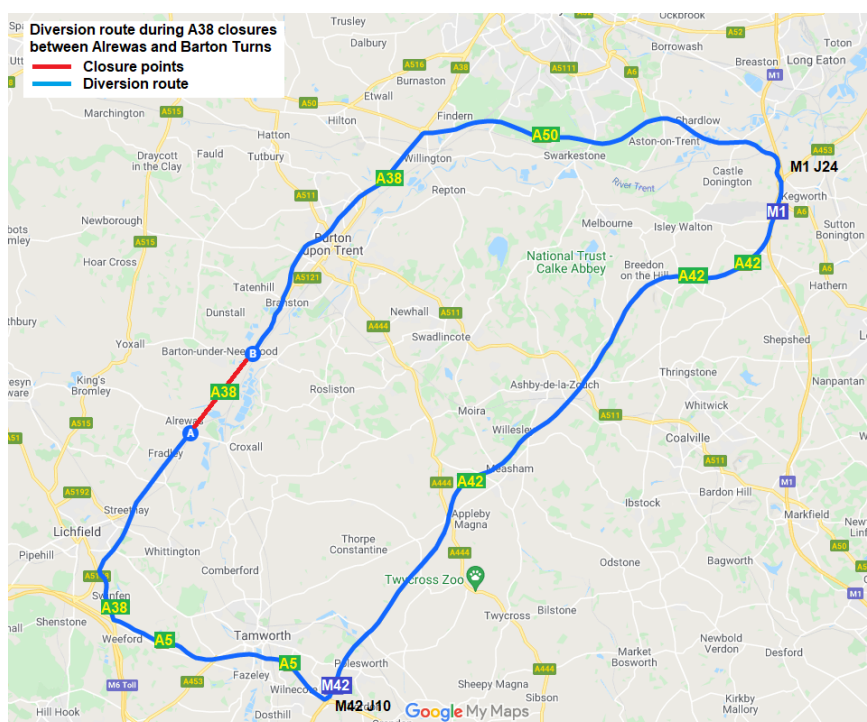

Welcome to this week's traffic management bulletin for the package of work that we're delivering on the A38.

On Monday 4 and Tuesday 5 October, the A38 Alrewas southbound exit slip road will be closed.

The following week, from Tuesday 12 to Friday 15 October, the A38 will be closed southbound between Barton Turns junction and Alrewas junction, including the slip roads, while we continue to complete barrier and carriageway repairs. During these closures we'll be utilising the alternative diversion route that was in place earlier in the month (please see map below). This will help reduce the impact of the diversion on the local road network.

We're sorry for any disruption that our work may cause you; please plan and allow extra time for your journey. We also have a twitter feed you can follow [here](#) for roadworks notifications. For further information about our work, please contact: [info@highwaysengland.co.uk](mailto:info@highwaysengland.co.uk)

We're always looking to improve the way we work, and we would like to ask you to complete a short questionnaire to give us your feedback. If you could spare just 4 minutes (maximum) and complete the survey, click [here](#).
