

Notice of minor watercourse surveys near A513 and Shaw Lane

November 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Working on behalf of HS2 Ltd, Kier is carrying out surveys and investigating ground conditions along the Phase 2a route.

What we are doing

We will be carrying out minor watercourse surveys to help us identify the location of things like brooks, ditches and streams. The data we receive from these surveys will feed into the design of the main HS2 line.

When will the work take place

This work will take place from Monday 13 December to Thursday 16 December. We will be working during the day, from 8am to 5pm. Please note that all our planned survey work may be subject to change due to weather conditions or unforeseen circumstances.

Covid-19

We are working in line with Government and Public Health England (PHE) advice on working safely during the pandemic. For all events and engagement, we will carry out a risk assessment and put in place control measures to manage the risk of Covid-19 to the public and our staff. If you have any questions about this, please contact our Helpdesk to find out more. The health and safety of our workforce and the communities we affect is our key priority.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
