

A38 Package of work e-bulletin – w/c 11 April 2022

Welcome to this week's traffic management bulletin for the package of work that National Highways is delivering on the A38.

We wrote to you last week advising you of electrical works at Branston which would require a full closure of the A38 northbound entry slip. Unfortunately, due to unforeseen circumstances, this element of the work has been deferred until further notice.

From 9pm on Tuesday 19 April to 6am on Thursday 21 April, there will be an overnight lane closure on the A38 southbound at Branston junction, including the exit slip, to complete electrical signage and bollard repairs.

We have a twitter feed you can follow here for roadworks notifications. For further information about our work, please contact: info@nationalhighways.co.uk

We're always looking to improve the way we work, and we would like to ask you to complete a short questionnaire to give us your feedback. If you could spare just 4 minutes (maximum) and complete the survey, click [here](#).
