

Notice of road closures, Wood End Lane, Lichfield (subject to consent)

August 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Working on behalf of HS2 Ltd, Balfour Beatty is carrying out utility surveys on Wood End Lane, Lichfield.

What we are doing

HS2 Ltd is proposing to make changes to the junction of the A515 and Wood End Lane, with further widening to Wood End Lane. This is to improve traffic flows during the construction of HS2. To design the changes, Balfour Beatty will need to carry out surveys on the Cadent Gas pipe and a Severn Trent Water utility pipe on Wood End Lane.

The survey on the Severn Trent Water pipes will require the manhole cover to be removed whilst surveyors complete the work. To do this safely, we will have a 15-minute temporary road closure on this section of Wood End Lane (at the entrance to Baskerville House) the closure will be in place for 15 minutes in each hour until the survey is completed. We do not expect to require more than one closure on this day.

The Severn Trent Water survey will take place on **Friday 12 August 2022, 9.30am to 3.30pm.**

To complete the Cadent Gas survey, we will use a vacuum excavator to safely dig to the gas pipes. There may be some noise associated with these works therefore we will put up acoustic barriers around the worksite to reduce any disruption

To minimise disruption to residents and road users, we will carry out this work overnight. To carry out the work safely, we will need to close Wood End Lane between the junction with A515 and Watery Lane.

The Cadent Gas survey will take place on Monday on 22 and 23 August 2022, 8pm to 5.30am

During the night-time road closures, we will put signed diversion routes in place.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

How this may affect you

Severn Trent Water survey

We will close a small section of Wood End Lane (at the entrance to Baskerville House) for up to 15 minutes on **Friday 12 August 2022 between 9.30am and 3.30pm**. During this time vehicles will be required to wait until the temporary closure is removed.

There will not be a diversion route in place for the 15 minute closure.

Please plan and allow extra time for your journeys during the closure.

Cadent Gas survey

During the night closures on **Monday 22 and Tuesday 23 August 2022 between 8pm and 5:30am**, we will close Wood End Lane between A515 and Watery Lane. We will maintain access to properties and businesses within the closure. Our traffic management team will be on site and will facilitate safe passage through our working area. Please be patient while a member of our team arranges this.

To reduce any noise disruption from the vacuum excavator, we will put acoustic sound barriers around our works.

Your gas supply should not be affected while we carry out the work. Cadent gas supervisors will also be on site to oversee the work and ensure that there is no disruption.

Please plan and allow extra time for your journeys during the closure.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
