

## A38 Package of work e-bulletin – w/c 22 August 2022

Welcome to this week's traffic management bulletin for the package of work that National Highways is delivering on the A38.

Between Monday 22 August and Friday 30 September, Monday to Friday, there will be full nightly closures of slip roads along the A38 between Wall Island in Lichfield and Toyota Roundabout in Derby. We will be carrying out grass cutting and vegetation maintenance to ensure better and safer visibility for drivers using these junctions. Please see the below table for details of the specific locations and dates of these slip road closures. Diversion routes will be fully signed for.

We have a twitter feed you can follow here for roadworks notifications. For further information about our work, please contact: [info@nationalhighways.co.uk](mailto:info@nationalhighways.co.uk)

We're always looking to improve the way we work, and we would like to ask you to complete a short questionnaire to give us your feedback. If you could spare just 4 minutes (maximum) and complete the survey, click [here](#).
