

## A38 Package of work e-bulletin – w/c 10 October 2022

Welcome to this week's traffic management bulletin for the package of work that National Highways is delivering on the A38.

From Monday 10 October to the end of November, Monday to Friday, between 8pm and 6am, there will be closures of slip roads along the A38 between Toyota Roundabout in Derby and the M1 junction 28. We will be carrying out grass cutting and vegetation maintenance to ensure better and safer visibility for drivers using these junctions.

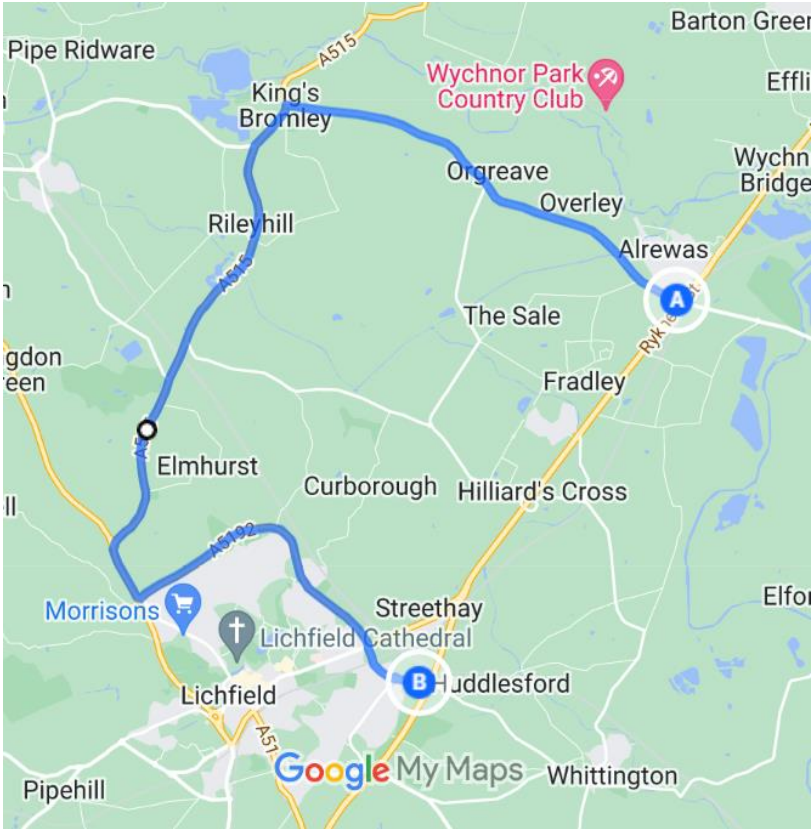

Between 10 October and the end of November, between 8pm and 6am, there will be closures of several of the service roads which run adjacent to the A38 between Alrewas and Branston. Our work will include surveys and a find and fix maintenance programme of the drainage systems on these roads.

From Monday 17 October to Thursday 20 October, between 9pm and 6am, there will be a full closure of the A38 southbound between Alrewas and Hilliards Cross for tree maintenance. Please see the below diversion.

We have a twitter feed you can follow here for roadworks notifications. For further information about our work, please contact: [info@nationalhighways.co.uk](mailto:info@nationalhighways.co.uk)

We're always looking to improve the way we work, and we would like to ask you to complete a short questionnaire to give us your feedback. If you could spare just 4 minutes (maximum) and complete the survey, click [here](#).
