

Notice of overnight surveys on the West Coast Mainline, Handsacre

December 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

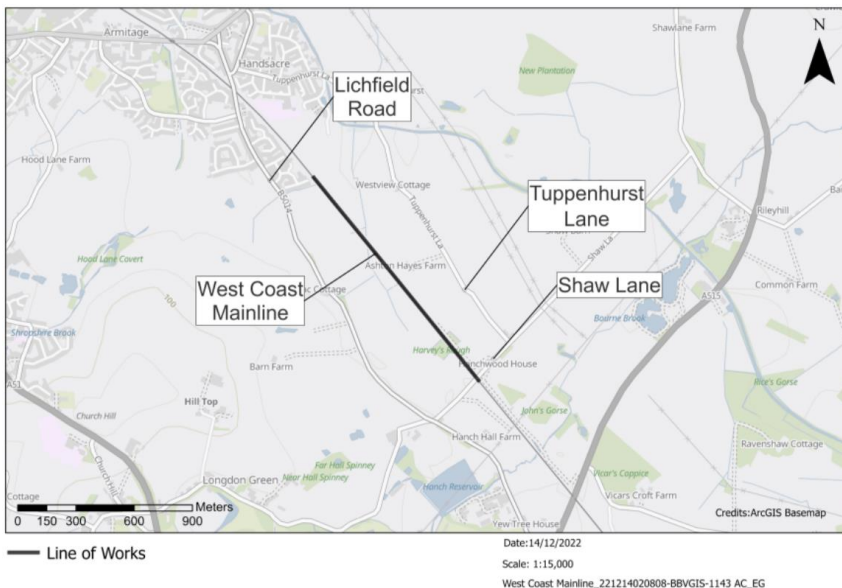

The work we are doing

We are working with Network Rail to plan and deliver preparatory works on the West Coast Mainline. We will be undertaking survey works to gather information on the existing West Coast Mainline and will use a range of tools, survey equipment and lighting.
