

Notice of water main diversion – A515, Tewnals Lane, Lichfield WS13 8HS

December 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. To allow for the construction of the new railway and to continue to ensure a safe and reliable water supply, South Staffs Water will be commencing work on the diversion of a water main in January 2023.

What we are doing

South Staffs Water will be carrying out the diversion of an existing water main.

All works will be undertaken within private fields to the west of the A515, Tewnals Lane, Lichfield WS13 8HS.

The work is planned to start on **9 January 2023 and is expected to last until 31 March 2023**. All the works will be undertaken between the hours of 8.00am to 6.00pm Monday to Friday and 8.00am and 1.00pm Saturday.

How this will affect you

We don't anticipate any disruption to road users as a result of these works.

However, you may notice a few more vehicles on the surrounding roads bringing equipment and materials into our work site. We have reduced the amount of vehicle movements as surplus excavated material from our pipe trenches will remain on site to be utilised for embankments for the new railway. Access to site for construction vehicles will be via the existing site access off the A515. Smaller vehicles such as van and cars will continue to access the site from Shaw Lane.

We have designed our works to avoid disruption to the water supplies of our customers.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration

- From 9 January to 31 March 2023
- Our working hours will be 8.00am to 6.00pm (Mon-Fri) and 8.00am to 1.00pm (Sat)

What to expect

- Signage on the roadside where we access our worksite.
- Temporary fencing to maintain a safe working environment.

What we will do

- Limit the amount of vehicle movements
- Make sure all construction vehicles use agreed routes
- Maintain a safe working environment
- Inform people in advance of any changes

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between Birmingham and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

About our Commonplace websites

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us that you are kept up to date about the progress of the Project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

Our Commonplace sites currently serve Birmingham, Bucks and Oxfordshire, Cheshire, Euston and Camden, Hertfordshire, Hillingdon, Northamptonshire, Old Oak, Solihull, Staffordshire and Warwickshire. More sites are being prepared to serve other areas.

To find your local Commonplace website, visit:
<https://hs2.commonplace.is/>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:

complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website:

www.hs2.org.uk/how-to-complain
