

A38 Lichfield to Toyota Island weekly e-bulletin w/c 10 July 2023

Welcome to this week's traffic management bulletin for the package of work that National Highways is delivering on the A38 between Lichfield and Toyota Island in Staffordshire.

On weeknights from 8pm to 6am, there will be full closures of the A38 northbound between Hilliard's Cross junction and Alrewas (A38/A513) as we continue our A38 Fradley to Barton combined maintenance work. During these closures, we'll carry out safety barrier replacement, street lighting, drainage and other maintenance works. To maintain safety throughout, a reduced speed limit of 40mph will be in place along with speed enforcement.

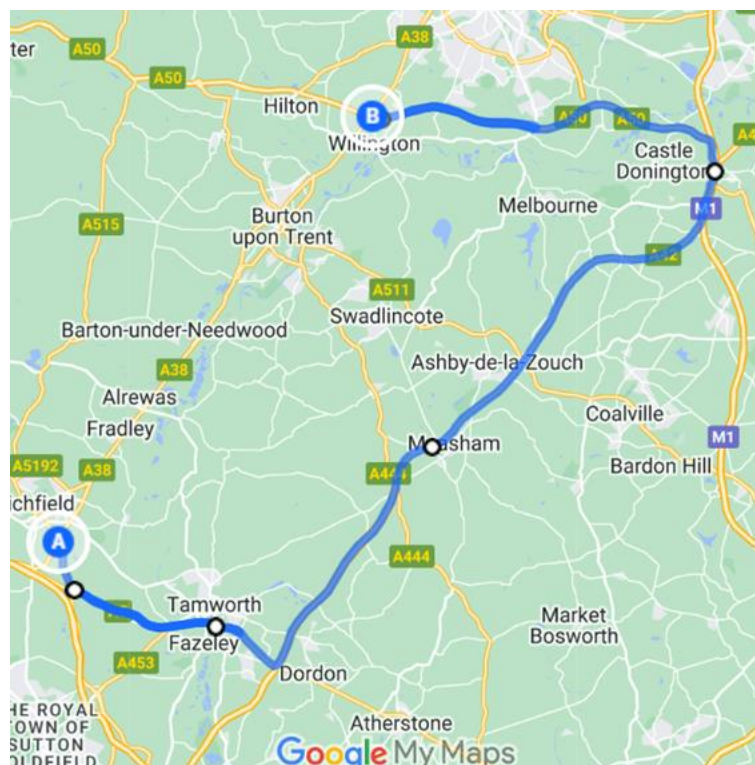

Please see the below diversion for these closures.

From 11 July to 20 September, there will be a full closure, 24/7, of Rykneld Street and Burton Road service road at the Alrewas junction. At the same time, and to maintain safety throughout, the A38 northbound will be reduced to single lane running between Fradley and Alrewas for the duration of this work. During these closures, we'll carry out safety barrier replacement, street lighting, drainage and other maintenance works. Access to homes, frontages and emergency services vehicles will be maintained throughout. However, there may be times when access is delayed for safety reasons, but we'll make every effort to ensure any delays are kept to a minimum.

From 8pm on Friday 21 July to 6am on Monday 24 July, the A38 northbound will be closed from Hilliard's Cross junction to Catholme for resurfacing (full weekend closure). During this closure, we'll install the same diversion as per the below.

Please plan ahead and allow additional time for your journey.

A38 Fradley to Barton combined maintenance work strategic diversion

Northbound traffic – traffic to take A38 from Swinfen Interchange and join the A5 eastbound from Weeford Interchange. Continue on the A5 to M42 roundabout. At the roundabout, join the M42 at junction 10 heading north. Remain on M42/A42 as it merges with the M1 junction 23a. Traffic to exit M1 at junction 24 and head towards the A50 westbound. Remain on A50 to A38 Toyota Island.

Southbound traffic – traffic to take A50 eastbound from Toyota Island and continue to M1 junction 24a. Head south on M1 to junction 23a and merge on to M42/A42. Remain on M42/A42 until reaching M42 junction 10 and take the exit. At the roundabout, join A5 westbound to Weeford Interchange and then continue north on A38 to Swinfen Interchange.

We have a twitter feed you can follow [here](#) for roadworks notifications. For further information about our work, please contact: info@nationalhighways.co.uk

We're always looking to improve the way we work, and we would like to ask you to complete a short questionnaire to give us your feedback. If you could spare just 4 minutes (maximum) and complete the survey, click [here](#) or scan the QR code.
