High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will do

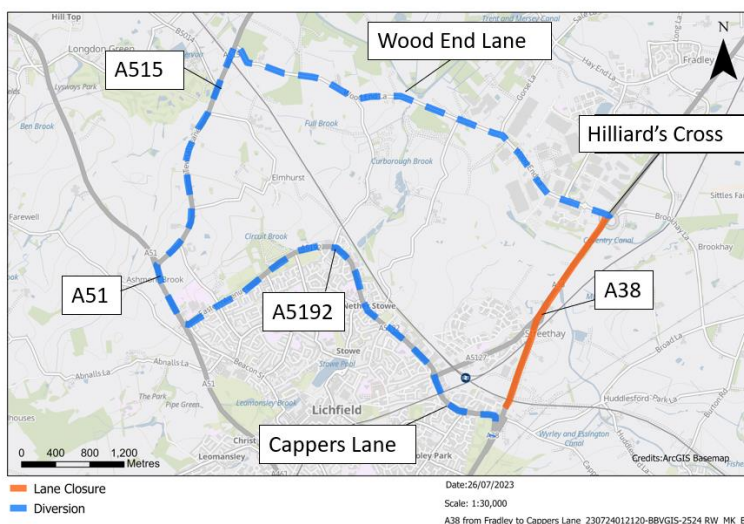

We are working with South Staffordshire Water who will be undertaking a water main diversion along the A38 at Streethay. To complete these works safely we will install a safety barrier along a section of the southbound carriageway of the A38.

When the work will take place

We will have two overnight closures of the A38 southbound carriageway at Streethay.

- To install the safety barrier, we will have an overnight closure on Wednesday 23 August 2023 from 9pm to 5am.
- We will remove the safety barrier during an overnight closure on Sunday 3 September 2023 from 9pm to 5am.

A clearly signed diversion route will be in place during the closures.
