

# A38 Lichfield to Toyota Island weekly e-bulletin w/c 30 October 2023

Welcome to this week's traffic management bulletin for the package of work that National Highways is delivering on the A38 between Lichfield and Toyota Island in Derby.

We're pleased to confirm that we're in the final stages to complete our A38 Fradley to Barton combined maintenance scheme. On Monday 30 October and Tuesday 31 October, from 8pm to 6am, there will be full closures of the A38 northbound between Hilliard's Cross junction and the Branston junction. These closures have been designed for the removal of our speed enforcement cameras.

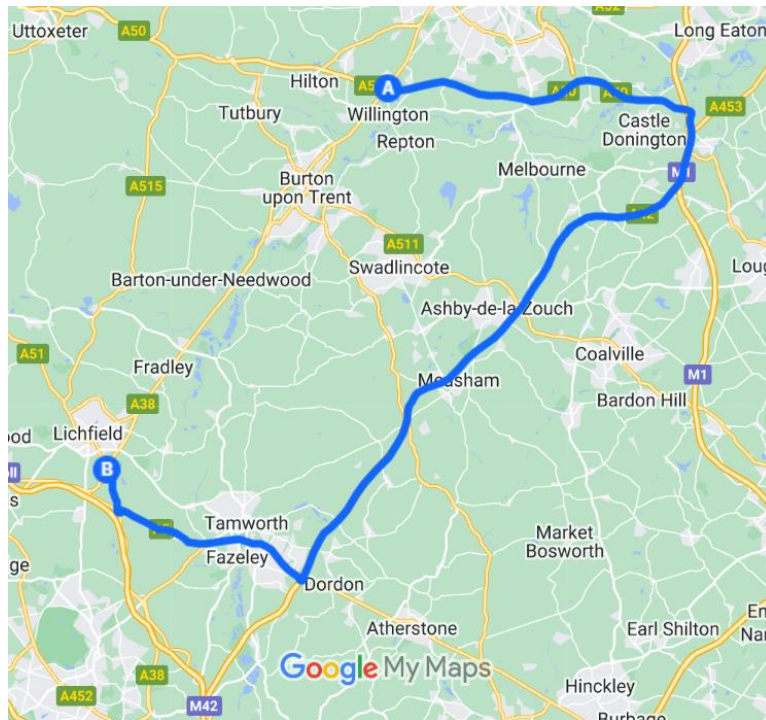

Please see the below diversion for these closures.

Due to the nature of our work, we will be required to return for approximately 3 weeks in the new year to complete all remaining work at this location. We believe this is likely to take place throughout January, and our work will include safety barrier repairs, lighting upgrades and replacing signs. We apologise for any additional inconvenience this may cause; further updates will be provided at the earliest opportunity.

We'd like to thank everyone for their patience whilst we carried out work at this location. Your feedback is essential to ensure we improve the service we offer to our customers. If not already, please could you take the opportunity to complete our short questionnaire to improve the way we work.

Whilst we were planning this scheme, we recognised that it would be disruptive, so we listened to all of the feedback we've had from the communities in the area over the last few years and because of that feedback we deployed the safety camera van both within the works and on the local road network to address some of the concerns that were raised before the works started. It's been great to hear directly from so many local residents that the safety camera van has had a fantastic positive effect for them in addressing anti-social driving in the villages during these works.

## A38 Fradley to Barton combined maintenance work strategic diversion

**Northbound traffic** – traffic to take A38 from Swinfen Interchange and join the A5 eastbound from Weeford Interchange. Continue on the A5 to M42 roundabout. At the roundabout, join the M42 at junction 10 heading north. Remain on M42/A42 as it merges with the M1 junction 23a. Traffic to exit M1 at junction 24 and head towards the A50 westbound. Remain on A50 to A38 Toyota Island.

**Southbound traffic** – traffic to take A50 eastbound from Toyota Island and continue to M1 junction 24a. Head south on M1 to junction 23a and merge on to M42/A42. Remain on M42/A42 until reaching M42 junction 10 and take the exit. At the roundabout, join A5 westbound to Weeford Interchange and then continue north on A38 to Swinfen Interchange.

We have a twitter feed you can follow [here](#) for roadworks notifications. For further information about our work, please contact: [info@nationalhighways.co.uk](mailto:info@nationalhighways.co.uk)

We're always looking to improve the way we work, and we would like to ask you to complete a short questionnaire to give us your feedback. If you could spare just 4 minutes (maximum) and complete the survey, click [here](#) or scan the QR code.
