

A38 Lichfield to Toyota Island weekly e-bulletin w/c 11 December 2023

Welcome to this week's traffic management bulletin for the package of work that National Highways is delivering on the A38 between Lichfield and Toyota Island in Derby.

Due to recent bad weather, we've identified areas of the carriageway along the A38 southbound which have deteriorated over the last two months and are now in urgent need of repair. We have a resurfacing scheme (southbound) planned here due for delivery in 2025, but we need to complete the repairs in advance to ensure we provide a safer road throughout.

To complete our work safely, we'll close the A38 southbound overnight between Branston and Swinfen on 13 December, 14 December, 15 December, 16 December, 17 December and 18 December, 9pm to 6am.

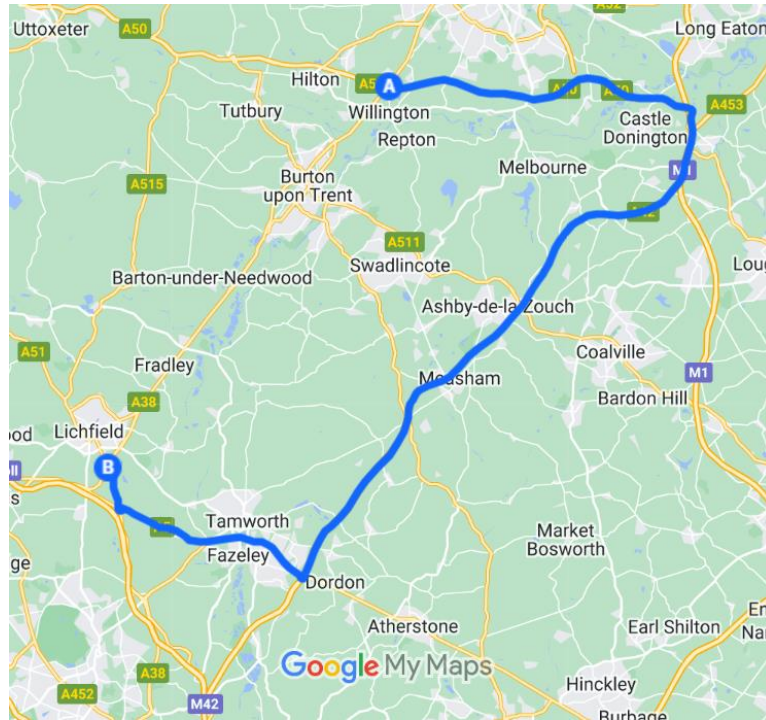

We apologise for the short notice and inconvenience this may cause, please plan ahead and allow additional time for your journey. During closures, we'll install a fully signed diversion as below.

We have a twitter feed you can follow [here](#) for roadworks notifications. For further information about our work, please contact: info@nationalhighways.co.uk

We're always looking to improve the way we work, and we would like to ask you to complete a short questionnaire to give us your feedback. If you could spare just 4 minutes (maximum) and complete the survey, click [here](#) or scan the QR code.
