

A38 Lichfield to Toyota Island weekly e-bulletin w/c 18 March 2024

Welcome to this week's traffic management bulletin for the package of work that National Highways is delivering on the A38 between Lichfield and Toyota Island in Derby.

Over the coming weeks, we'll be returning to complete the outstanding work of the A38 Fradley to Barton combined maintenance scheme. Our work will include safety barrier repairs, lighting upgrades and replacing signs.

From Monday 18 March to Friday 22 March, overnight from 8pm to 6am, we'll have full closures of the A38 southbound, between the Branston junction and Hilliards Cross junction. During these times, there will be a single lane closure in place on the A38 northbound of this section.

Please see the below diversion for these closures.

We anticipate further work to be carried out at this location over the weekend of 23 and 24 March, and week commencing Monday 25 March. However, our contractor is still in the process of finalising our programme of work. We'll aim to provide a further update early next week. We apologise for any inconvenience this may cause.

Week commencing 18 March 2024 Traffic Management

We issue these bulletins weekly, if you wish to be added to the distribution list please email:
