

A38 Lichfield to Toyota Island weekly e-bulletin

w/c 29 April 2024

Welcome to this week's traffic management bulletin for the package of work that National Highways is delivering on the A38 between Lichfield and Toyota Island in Derby.

We'll be continuing our A38 Toyota to Mickleover maintenance scheme. During this work we'll be repairing the safety barrier in the central reservation along the A38 between Toyota Island and Mickleover. We'll also be carrying out vegetation clearance and grass cutting along this section.

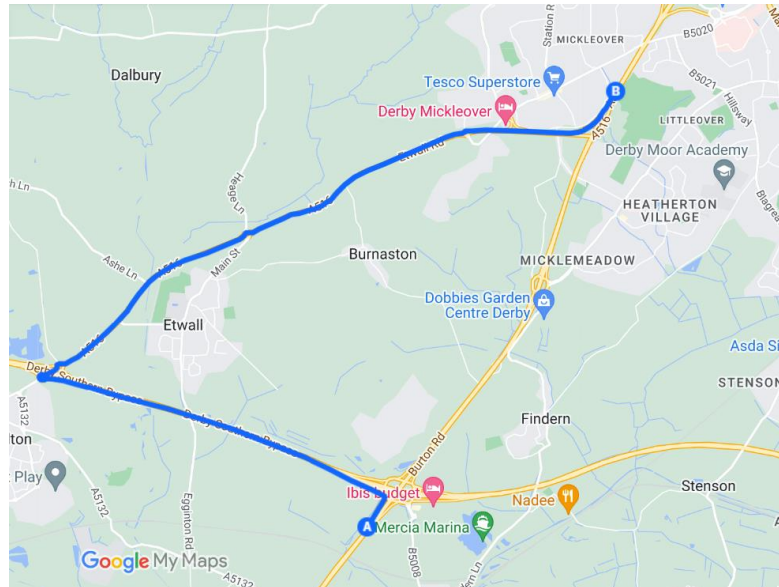

Until 17 May, on weeknights from 8pm to 6am, we'll have full southbound carriageway closures from A516 Mickleover junction to Toyota Island. A northbound lane 2 closure will be in place during these times.

Please see the below diversion for these closures.
