

# A38 Lichfield to Toyota Island weekly e-bulletin

## w/c 1 July 2024

Welcome to this week's traffic management bulletin for the package of work that National Highways is delivering on the A38 between Lichfield and Toyota Island in Derby.

We have no planned full closures this week.

Our A38 Toyota to Mickleover maintenance scheme has now finished for the time being, however, due to losing shifts to poor weather throughout the scheme, we'll need to return for approximately 2 weeks in August or September to complete our planned work. We'll use this platform to keep you updated when we have more information on this.

We have a twitter feed you can follow [here](#) for roadworks notifications. For further information about our work, please contact: [info@nationalhighways.co.uk](mailto:info@nationalhighways.co.uk)

We're always looking to improve the way we communicate, and we would like to ask you to complete a short questionnaire to give us your feedback on this. If you could spare just 4 minutes (maximum) and complete the survey, click [here](#) or scan the QR code.
