

Emergency notice of A38 traffic management in Streethay

September 2024 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

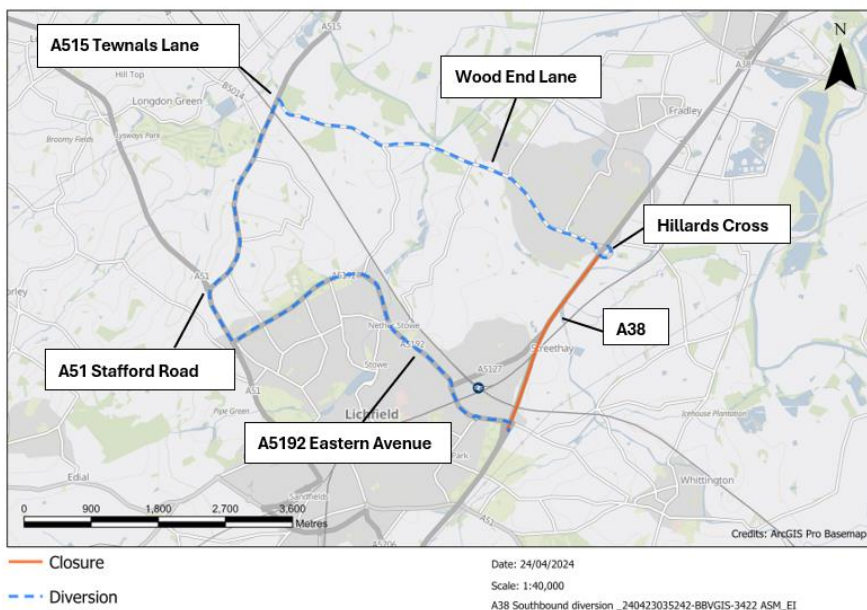

A38 northbound slip road will reopen on 1 October

To construct the A38 Rykneld Street Overbridge we have been building a temporary diversion of a section of the A38, at Streethay. We aimed to complete and switch traffic onto the new temporary road diversion on 30 September 2024. To ensure the safety of road users, we need to carry out additional white lining on the new carriageway alignment.

To complete this work, we will need to close the A38 northbound from Monday 30 September at 9pm, with the northbound carriageway and slip road reopening early on Tuesday 1 October in time for peak hour traffic.

The slip road will then remain open until November 2025, when we will install a 10 month closure of northbound slip road from November 2025 until September 2026.
