

A38 Lichfield to Toyota Island weekly e-bulletin

w/c 28 October 2024

Welcome to this week's traffic management bulletin for the package of work that National Highways is delivering on the A38 between Lichfield and Toyota Island in Derby.

A38/A50 Toyota Island essential maintenance

Our bridge repainting work at the A38/A50 Toyota Island is now coming to an end. Until Friday 1 November we'll have a **24/7 lane 2 closure** on the A38 southbound between the slip roads of Toyota Island. We'll also have this section of the southbound carriageway **fully closed on weeknights, between 8pm and 5am**, with a lane 2 closure of the northbound carriageway here. Then, **from 8pm on Friday 1 November to 5am on Sunday 3 November**, we'll have a **full 24/7 closure** of this section of the southbound carriageway to remove the traffic management.

This is subject to change due to poor weather or other unforeseen circumstances, but if there are any changes, we'll let you know via this platform.

During closures, a small diversion will be installed over Toyota Island using the exit and entry slips. For the duration of the works, 50mph restrictions will be in place.

A38 Toyota Island to Little Eaton LED lighting work

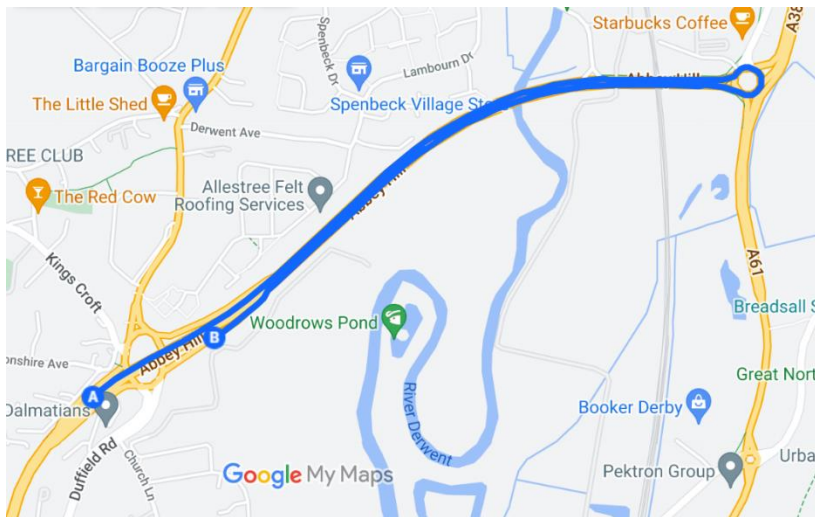

From 30 September until the end of November, we'll be upgrading the current lighting to LED's on the A38 between Toyota Island and Little Eaton. The new LED lighting will be more energy efficient and require less maintenance in the future.

We'll complete our work overnight on weeknights, **between 8pm and 6am**, predominantly using lane closures, but we'll also have some full overnight carriageway and slip road closures along this stretch as follows:

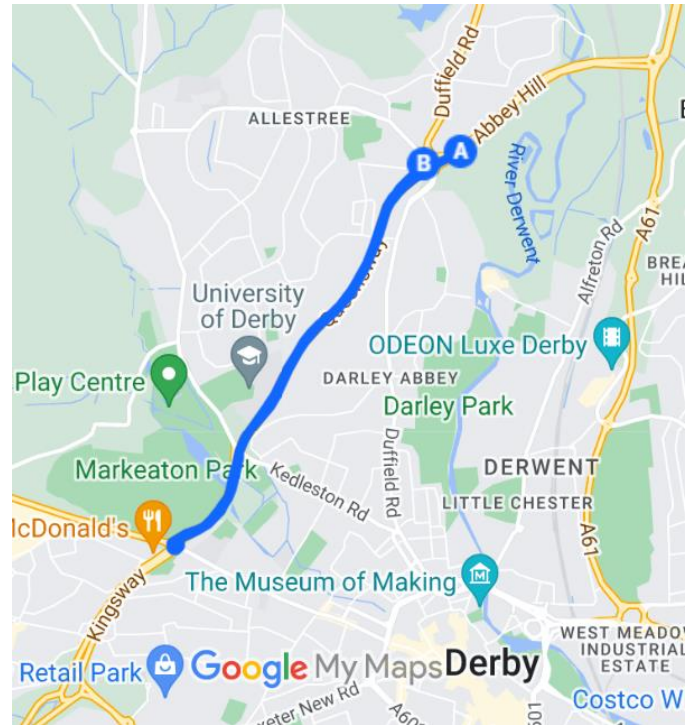

- **1 November** - Palm CT Island northbound exit slip road
- **4 November** - Palm CT Island southbound exit slip road
- **8 November** - Horsely junction to Little Eaton Island southbound closure
- **20 November** - Findern interchange northbound exit slip road
- **21 November** - Findern interchange northbound and southbound entry slip roads
- **25 November** - A516 (Mickleover junction) merge to A38 northbound

We'll provide diversion details for these closures below, the week before their start dates.

Palm CT Island northbound exit slip road
