

A38 Lichfield to Toyota Island weekly e-bulletin w/c 25 November 2024

Welcome to this week's traffic management bulletin for the package of work that National Highways is delivering on the A38 between Lichfield and Toyota Island in Derby.

A38 Toyota Island to Little Eaton LED lighting work

Until the end of November, we'll be upgrading the current lighting to LED's on the A38 between Toyota Island and Little Eaton. The new LED lighting will be more energy efficient and require less maintenance in the future.

We'll complete our work overnight on weeknights, **between 8pm and 6am**, predominantly using lane closures, but we'll also have some full overnight carriageway and slip road closures along this stretch as follows:

- **25 November** - A516 Mickleover/A38 junction closure in both directions

Please see the diversion routes for these closures below.

A5132 Carriers Road/The Castle Way overbridge survey work

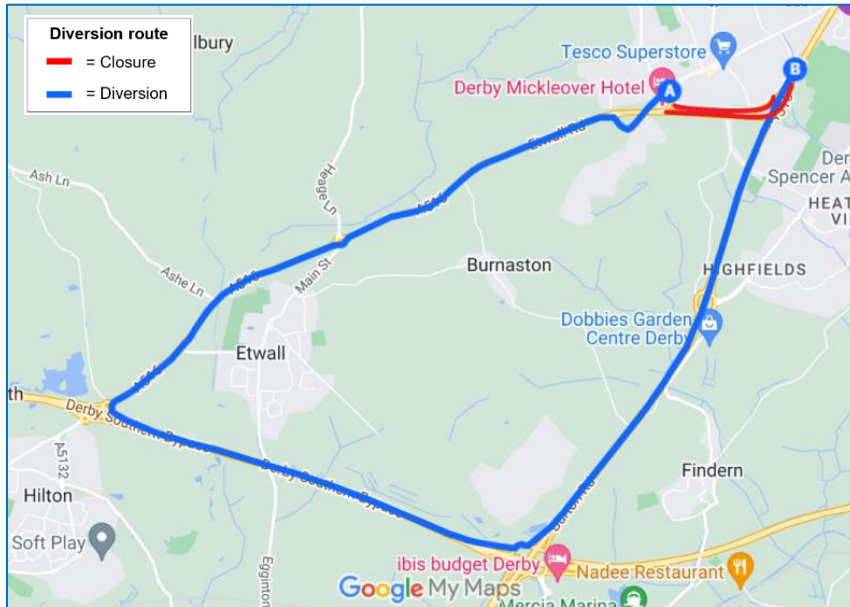

We'll be carrying out surveys on the A5132 Carriers Road/The Castle Way bridge, that runs over the A38 at Egginton. Our surveys will identify work that is needed to ensure the future safety of the bridge structure.

We'll work overnight, from **Monday 2 December to Friday 6 December, between 8pm and 6am**.

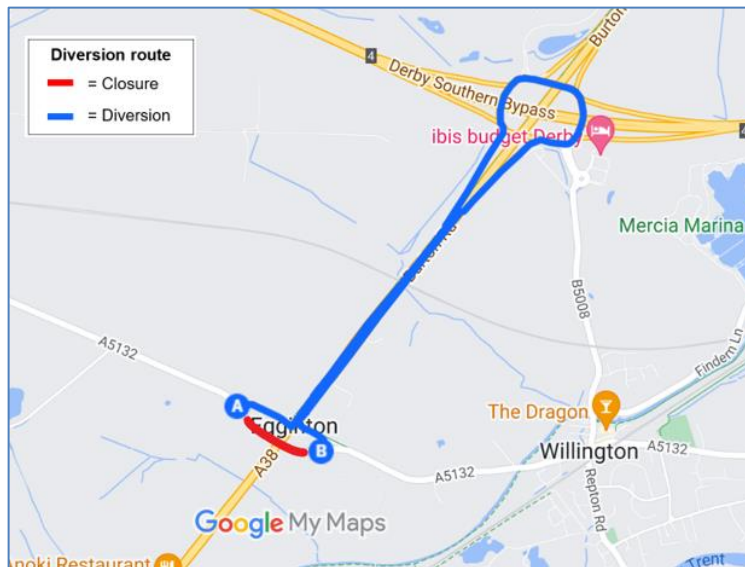

During this time, we'll have full closures of the A5132 Carriers Road/The Castle Way bridge, in both directions.

Please see the diversion routes for these closures below.

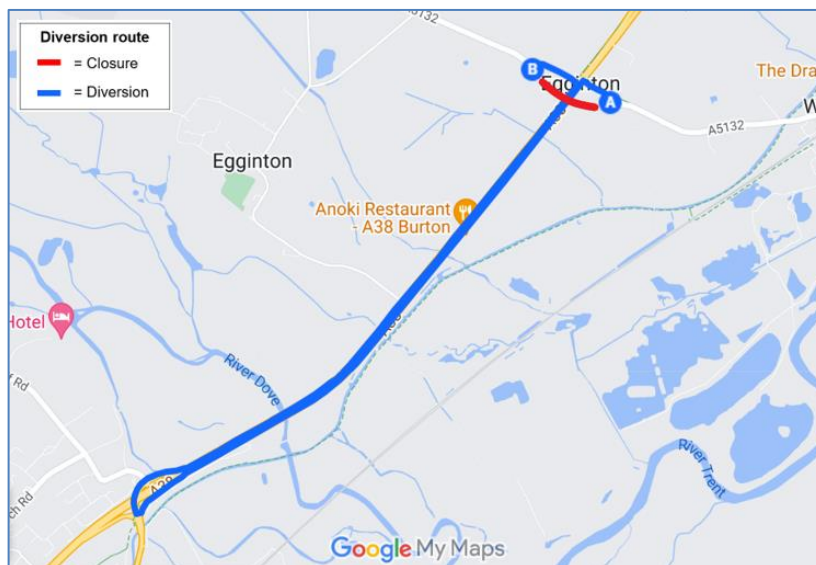

A516 Mickleover/A38 junction closure in both directions

A5132 eastbound traffic diversion

A5132 westbound traffic diversion

Week commencing 25 November 2024 Traffic Management

We issue these bulletins weekly, if you wish to be added to the distribution list please email:
